St. Albert Gets Junior Hockey

Two local sportsmen, Ron Yanosik and Garth Leask announced last night that St. Albert will have an entry in the newly-formed Edmonton Metropolitan Junior Hockey League. Five teams are scheduled to start operations in the new league approximately October 23, with representatives from Fort Saskatchewan, University of Alberta, South Side Athletics, Sherwood Park and St. Albert.

The major aims of the new league are to foster and encourage a greater opportunity for boys to participate in a junior league where professionalism is non-existent. To make hockey available for some 75 to 90 graduating juvenile hockey players who wish to continue but have no place to go. Yanosik feels there are too many late developers that can't step into Junior A hockey their first year out of juvenile.

The league operation will be controlled by a league governor, executive director, three members from each club, one of which must be a player. This makes the league unique in as much as the players will have the opportunity to participate in league operations.

It is hoped the St. Albert Club can be formed with the nucleus of local players including the surrounding communities of Morinville, Legal, Bon Accord, etc.

Yanosik and Leask have applied to the secretary-treasurer of the town to

attend the next council meeting in order to finalize arrangements for ice rental, regarding game dates and practice schedules.

Ron Yanosik and Clare Drake of the U of A have been working on the new league for the past 1 1/2 years, and feel that now the league is formed it will not only offer many young athletes a chance to continue on in hockey, but will offer the fans an excellent opportunity for many hours of enjoyable entertainment.

The league has a tentative schedule of 30 games

and a referee and two linesmen will be employed.

All players not over 20 years before December 31, 1972, will be eligible and interested players are asked to contact Ron Yanosik at 599-5340 or Garth Leask at 599-3825. Players are asked to leaveage, position played, last team played for, and telephone number.

Registration forms will be available at St. Albert Sports Shop. All applicants will be notified when training commences.

Ron and Garth expect to announce a manager and a coach at an early date.

Day Care Centre Launched

St. Albert's new Day Care Centre, located on the lower level of the Elim Pentecostal Chapel got underway Friday, September 1. The modified quarters of the church include a new safety exit, new ceiling, partitions and paint covering the outside concrete wall. To add to the cozy quarters, one section of the floor is covered with carpeting.

The director of the Day Care facility is Mrs. Joanne Lussier who is assisted by Mrs. Carol Watamaniuk, a junior day care worker. Tuesday afternoon, five youngsters were enjoying classes in the new facility, however, Mrs. Lussier revealed that to date, 11 pupils were enrolled, "and we have room for 30 more," she

said.

Mrs. Lussier is a graduate of Macdonald College, Montreal and also obtained a special education diploma from McGill, Montreal, in learning disabilities of children.

School hours are from 7:30 a.m. to 5 p.m. during which time the youngsters, ranging in age from two to five are kept busy with a full agenda of activities which range from music, coloring, games, lunch and rest periods.

Mrs. Lussier is very pleased with the response received from the appeal for supplies. "We have a radio-stereo, furniture, games and dishes but we're in dire need of books for the kids," she said.

These four members of the St. Albert Salfish Swim Club brought home first place awards in their respective categories during recent competitions at the provincial championship event held in Calgary, August 26. Back row, left to right: Tom Kehoe, boy's 15 - 16 breast stroke; John Grave, coach; Richard Fowler, boy's 13 - 14 butterfly. Front left is Claudette Larocque, girl's 8 and under, freestyle while at right is Paul Grave, 8 and under, freestyle. Don Croft, the other Salfish Swim coach was not available for this picture.

Police Commission Report Adopted

Discussion of a report tabled by the Board of Police Commissioners resulted in several recommendations which were ratified Tuesday evening.

With Staff Sgt. J. Roy, Sergeant L. Rheault and Corp. S. Fookes present, discussion of the report centered around traffic regulations, proper signs, the infamous bicycle bylaw and related problems.

A request by the Police Commission to change some yield signs to stop signs was explained by Corp. Fookes. He said that yield signs were adequate for low-density traffic streets and avenues. "But some intersections now," Corp. Fookes said, "have become very busy and we feel these warrant more stringent signs than just a 'yield' sign." Councillors agreed that some motorists fail to even slow down at such intersections.

All three RCMP officers endorsed the recommendation that the Sturgeon Road cut-off be made into a one-way street east to Bishop Street on the straight of way.

The Police Commission had recommended that the sign at the 'short-cut' from Bishop on to Sturgeon, past the playground and on to Sturgeon Road again be changed from a 'yield' to a 'stop' sign. However, the one-way-street resolution received unanimous approval.

School signs and crosswalks were also discussed thoroughly. The points weighed, included the type of sign, the merits of these against crosswalks and flashing amber lights. The

question of 'School Zone' against 'Play Ground' versus 'Crosswalks' was also discussed. For the time being, Council, as per a recommendation from the Police Commission, approved clearly defined 'School Zone' signs at strategic locations within St. Albert. The RCMP also supported the recommendation.

Another recommendation which received approval was for the installation of an overhead light located on Sir Winston Churchill Avenue near the Fire Hall.

Planners Position Under Study

Following the resignation of Town Planner J.X. Woodroffe, council has been studying the question again of whether to continue with sharing the services and costs of a town planner through the Edmonton Regional Planning Commission or hire a full-time planner for the Town of St. Albert. Another suggestion being considered is the retaining of a consultant who would

work in co-operation with either a full or part time planner.

In a memorandum drafted by Councillor Lukay, he asked council to critically consider the type of service St. Albert requires and take in consideration the existing backlog of planning which the town urgently needs. In his memorandum to council, Mr. Lukay urged that serious consideration be given to the use of a Consulting Firm, a Town Planning Department and services as provided by the Edmonton Regional Planning Commission.

After a lengthy and sometimes 'heated' discussion, Councillor Bakker made three recommendations. (a) That Councillor John deBruin look into the feasibility of obtaining a planner for the Town of St. Albert; (b) that Mr. Woodroffe provide the Town of St. Albert with a planning philosophy for future records and (c) that a letter of recommendation be given to Mr. Woodroffe for excellent services rendered in planning of the Town of St. Albert. Motion (a) was approved 5 - 2 with Mayor Gibbon and Councillor Hudson voting against. Motion (b) was defeated while motion (c) was carried unanimously.

Jr. High Proposal Submitted By No. 3

A Certificate of Need by the No. 3 School District has been drawn up and submitted to the School Building Board, Department of Education. The proposed junior high school will be located on a 20-acre dedicated parcel of land within the Allarco Property, East of the Braeside Subdivision. An agreement for school sites in that area has been approved in principle at a recent meeting of the No. 3 School Board, along with details for a new junior high school, as specified in the Certificate.

Although the entire proposal for a new junior high school is in the preliminary stage, clearly defined requirements were spelled out in the Certificate of

Need submitted.

According to the application, the following requirements were described which include: 21-regular classrooms, three science rooms, three ancillary classrooms, library, gymnasium, stage, two home economics rooms, an industrial arts area all totaling 37,350 square feet of instructional floor space. Offices, infirmaries, staff and conference rooms along with all the other non-instructional area will amount to 21,490 square feet. The total proposed school structure will cover almost 59,000 square feet.

The proposed Certificate of Need as defined now rests with the School Building Board, Provincial Department of Education.

Two youngsters obviously enjoy the creative dancing period at St. Albert's new Day Care Centre. Picture was taken on the second day of operation in the lower level of Elim Pentecostal Church, Tuesday afternoon.

Council Roundup

Considerable public concern was expressed in various ways since a development proposal was unveiled for the vacant plot of land across St. Thomas Street and Lions Park. The concern was in part centered around the destiny of a bank of trees bordering the park and the development site. "What will happen to our beautiful trees along the South edge of Lions Park?" was frequently asked by concerned citizens.

As a result of a public hearing before Council held recently, a recommendation was made that the wooded area in question be determined. By memorandum and sketched plan submitted later in the month, boundaries of St. Thomas Street were found to run in places as far as 20 ft into what is considered today as Lions Park. In view of this, a motion was made by Councillor J. J. Bakker, and ultimately approved that the wooded area on St. Thomas remain undisturbed by closure and subsequent development agreement.

A resident of 55 Geneva Crescent, Marcel Larocque won an appeal against the decision of the Development Control Officer. Mr. Larocque was refused a building permit for the construction of a covered car port which failed to comply with the building code. Mr. Jim Roberts explained in his memorandum that the proposed structure would be less than the five feet requirement from the neighbor and would also obstruct the neighbor's view. Mr.

Larocque contested this ruling and filed an appeal.

Mr. Larocque appeared before Council and presented a plan of the proposed car port along with a letter from his neighbor who stated that he had no objection to the Larocque proposal. The appeal was granted unanimously and a building permit will be issued.

On a motion by Mayor Gibson and carried unanimously, Councillor Thronson was appointed deputy-mayor for the months of September and October.

Councillor R. Hudson, following around-the-table discussion made a motion that the Town of St. Albert participate in the October edition of the Trade and Commerce Market Brochure at a price of \$550. The motion was carried.

A request by Nu-West Homes Ltd. to erect signs at different locations in town was approved.

Parks Superintendent John Beedle was asked on what date the Grosvenor Park Pool would be closed this year, he replied that September 15 would more than likely be the right time to close this facility as in previous years.

Mrs. S. McCaffery and Mr. Don Munro presented a brief outlining the objectives of an Educational Charette to take place October 10 to 15 during which time priorities of needs for the Town of St. Albert will be studied. Mrs. McCaffery told council she, being in charge of publicity and promotion, had mailed over 200 letters explaining The Char-

rette and received "tremendous feedback" from citizens and local groups. Mr. Munro explained that local and out-of-town experts will contribute sufficient input into this Charette, whereby it is "undoubtedly going to be a very fruitful experience." Mr. Munro further explained that during the first three days, the Charette will be conducted in one of the local schools from 5 to 10 p.m. During the second phase of the Charette, it will be held as a "live-in" at the Retreat House. He admitted that the complete program is not yet drawn up but will be ready for circulation prior to Charette date. Mr. Munro then made application for financial assistance, about \$400 to cover some of the expenses.

Councillor Bakker made the motion that \$400 be voted to the Charette Committee. The motion was approved. Mr. L. Krygier, accompanied by his solicitor N. Witten made application for rezoning part of Lot 8 and Lot 9, located within an assembled plot of land along

St. Albert Trail and North of Ball Avenue for a proposed hotel development. Specifically, Mr. Krygier requested that the West half of Lots 8 and 9 be rezoned from residential to commercial; that a subdivision approval be granted in order that the Gulf Service Station would be excluded from Lot 8 and that Council determine land dedication for roads and buffer strips.

be a most interesting and informative one, with Mr. Peter Cresswell, human rights officer, as guest speaker. Mr. Cresswell, a former executive director of Napi Friendship Association will this fall head up the new Calgary branch of

the Human Rights Department. A seasoned traveller, he has lived in England, and New Zealand, and will also bring to the ladies a view of exotic scenes and fascinating cultures of the East. He has intriguing things to tell about the Pyramids, including 'Why the Sphinx has no nose!'

Lion members' wives, who are not yet club members, are most cordially invited to attend. They should call Judy Simpson at 599-5335, evenings, so that Judy can order the din-

Womens study group resuming here soon

A Fellowship Bible Coffee will be resuming soon in St. Albert, with Blanche Gialster as Hostess and Joyce Stedelbauer as Guide.

The Fellowship is a women's study group with about 30 branches in the city, which aims at provoking stimulating discussion on matters of interest to women. While the studies are based on Scripture, no doctrine or philosophy is taught.

It is a completely non-denominational group, attracting membership from a

ners.

Lady Lions are looking forward to a very busy and interesting season. Entertainment chairman, Dorothy Harrison, has several fine speakers and varied programs lined up, and of course the club shall be bending every effort again to assist the Lions in their worthy projects, plus handling a few of their own.

The executive is hoping for a large turnout of members at this opening meeting, to get the new season off to a flying start.

The study group comes under the auspices of the Christian Womens Club in Edmonton, and in fact grew out of the monthly luncheon meetings of this club. As the Fellowships grew it was found that women having little affiliation with any church were attending and they were warmly welcomed.

Preschool Society meets next week

The former St. Albert Co-operative Playschool decided to form a society last year and were officially chartered as the St. Albert Preschool Education Society in May. The change was made as the school had expanded to double the number of classes, and is also steadily adding to its equipment, all of which left Una Gibson, teacher-director with rather too much to do. The new executive will now look after the direction of the school except for curriculum and

teaching, which remain the responsibility of Mrs. Gibson.

A general meeting of the Society will be held September 13, when further registrations will also be accepted for the 1972-73 term. Only children going into Grade 1 in September, 1973 are accepted by the playschool.

The school is held at the Clubhouse three days a week into classes, a morning and an afternoon class. Average cost is between \$40 - \$45 per child, per year. Classes begin October 1st.

The program is run on city playschool principles, and for those not familiar with it, "playschool" may be confusing, in that an excellent pre-school curriculum is offered, and the children learn a great deal about

the world around them, through a variety of teaching techniques, aids and field trips.

Una Gibson is presently attending in-service training school, conducted each year by the Edmonton Parks and Recreation Department. Beginning with the Co-operative Playschool as one of the volunteer parents involved, she went on to qualify herself as a teacher, and is presently going into her third year.

Local couple married in St. Albert church

The wedding of Anne Elizabeth Lovett, daughter of Mr. and Mrs. Arthur Lovett, to Dennis Van Oene, son of Mr. and Mrs. Clayton Van Oene, all of St. Albert, was solemnized at the St. Albert United Church on August 19, 1972. The service was conducted by the Reverend Douglas L. Weatherburn of Kirk United Church, Edmonton and the organist was Mrs. Lillian Upright.

Given in marriage by her father, the bride was exquisite in a floor length nylon organza Juliette gown featuring soft ruffles on short puffed sleeves and on the full bouffant train which fell softly from the waist. The sleeves, bodice and natural waist were outlined in Guipure lace. The lace was repeated around the finger-tip length nylon illusion veil which was held in place by a lace edged Camelot cap. She carried a cascade of red

roses. The colors of red and white were complimented by the arrangements of white gladioli and red zinnias at the front of the church.

The maid of honor, Elizabeth Briggs, attended the bride in a floor length dress of summer yellow and white featuring tiny pearl buttons to the waist and on the sleeves. Janet Lovett as bridesmaid with Deborah Lovett as flower girl, sisters of the bride, wore gowns of the same material, Janet's being turquoise and Deborah's pink. Colorful arrangements of mixed summer flowers were carried by the bride's attendants.

The best men were Les Martin and John Kambour-off, friends of the groom, Gordon and Leonard Van Oene, brothers of the groom, served as ushers.

The bride's mother chose a lavender fortrel dress with a lace jacket and a corsage of white roses. Mrs. Lillian Van Oene assisted Mrs. Lovett in a white printed fortrel dress with a match-

ing blue sleeveless coat and a corsage of pink roses. At the reception and dance for about 65 guests, which following in the LaCava Room, Mr. Les Martin served as master of ceremonies with Robert Henderson, a member of the RCMP and long time family friend proposing the toast to the bride.

Many out of town guests were present including Mrs. Adele Henderson and Mr. and Mrs. Robert Henderson, Mrs. Marion Wood, Mr. and Mrs. Cecil Knapton, all of Vancouver. Mr. and Mrs. Harold Van Oene of Dundas Ontario, Miss Debbie Cornwall, a former classmate of the bride at Paul Kane High School travelled from Peterborough, Ontario to attend the wedding.

The happy couple, after their wedding trip to Vancouver Island, will reside in Edmonton.

Young chap to friend: "He doesn't plan for the future at all. He's getting married next month and he hasn't even found her a job."

Sailfish Executive Opposes Association By-Law "Loophole"

The annual general meeting of the Alberta Summer Swimming Association was held at the Stampede Motor Hotel on Friday, August 25, and was chaired by Mr. Peter Sandomirsky, the Provincial Co-ordinator.

After the minutes were read and adopted, there was only a small amount of old business to discuss and the meeting was then thrown open for new business. There were several very important topics to discuss and a lively debate followed.

The most important motion on the night's agenda was to disqualify 21 Stanley Park swimmers from counting points towards the provincial championship, as these were winter-trained swimmers, and the intention of forming a summer swimming association is to offer fair competition to swimmers who can only train in the summer months. The Calgary Stanley Park coach defended his action

vigorously by quoting a law which was admittedly ambiguous but it was obvious from the general tone of the meeting that his views were not accepted. It was agreed that the law which this coach depended upon was ambiguous but other laws clearly stated that swimmers who trained during the winter months were not eligible and in any event it was pointed out that all people concerned with summer swimming were aware of its purpose and that to use winter trained swimmers was seeking an unfair advantage. The motion was eventually narrowly defeated, due largely to the concern for the swimmers concerned who were the innocent parties to this use of a loophole in the laws. The particular law was eventually amended, thus ensuring that the same situation could not arise next year.

Another problem involved

age group swimming where a motion was proposed that in the eight and under events, the butterfly stroke and individual medley should be abandoned. However, it was pointed out that under Canadian Amateur Swimming Association laws, under which the Swimmer Swim Clubs organize their framework, if an eight and under age group is allowed, they must swim identical events to nine and ten year old swimmers and these include butterfly stroke, individual medley stroke and also relays. An amendment was then proposed to the motion: that eight and under swimmers swim all the events that are offered to nine and ten year olds and this was duly passed.

Another motion of importance concerning swimmers' birthdays. Under the laws as ascertained them, the swimmer had to change age groups upon his or her birthday thus leading to an unsatisfactory situation in that in several instances, a swimmer could compete in the Regional Championships and qualify for the Provincial Finals only to be ineligible for these, should a birthday occur meanwhile. It was proposed, and passed, that a swimmer compete for the whole summer in the age group relative to his age on May 1st and it would appear that this will be a satisfactory solution.

A motion was proposed, and defeated, trying to split up the clubs into Rural and City clubs. The argument against this was that it was only by competing against larger clubs that our rural clubs could improve, and if they were to isolate themselves, it would be to their detriment.

New business having finished, the election of officers followed. The main appointment, that of Provincial Co-ordinator saw Mr. Peter Sandomirsky named to that post. It was on a motion from Mr. Sandomirsky that the meeting was adjourned around midnight.

Local tennis stars do well at Garneau

A number of St. Albert Tennis Club members entered the Garneau Invitational Tournament which was held Labour Day weekend. Dave Kirk (St. Albert) and Alex McEachern (Glenora) won the mens doubles event over Clark Warren and Fred Rudolph (St. Albert). Cynthia Sage and Betty Ontkean (both St. Albert) lost the ladies doubles event in a close match against Sue Gilbertson and Lois Kirk (both Garneau). Betty Ontkean was defeated in three sets by Sue Gilbertson in the final of the ladies singles event. In the secondary events the St. Albert combination of Anne Kirk and Sandy Warren won the ladies doubles by defeating Phyllis Lombard and Leslie Moss (Durrick). Rita Egan and Bob Green (St. Albert) lost the final of the mixed secondary.

Hillcrest will hold its Invitational B Tournament this weekend, Sept. 9 and 10. Entry forms are available from Dave Kirk. The entry deadline is Wednesday, Sept. 6th.

The following weekend the St. Albert club will be holding its final tournament for juniors and seniors. The junior singles tournament for junior club members (18 and under as of January 1st, 1972) will be held Saturday morning Sept. 16.

There is a trophy for the girls and a trophy for the boys. The tournament will only be held if the tournament captains consider there are sufficient entries. The senior tournament will be held Saturday and Sunday, September 16 and 17. The entry fee is \$1.50 plus 25¢ per additional entry, making a maximum fee of \$2 for three events. Entries for both the junior and senior events are to be phoned to Clark Warren by Tuesday, Sept. 12 at 6 p.m. When choosing your partner, please remember that there is a two year restriction on a winning doubles combination. Balls will be provided.

The club party will be held Saturday evening Sept. 23 at Anne and Dave Kirk's house. Those planning to attend are asked to contact Joan Green by the tournament weekend.

JOINT USE AGREEMENT

Secretaries of organizations eligible for accommodation under the terms of the Joint Use Agreement are reminded again that applications must be received as soon as possible if they are to be considered when fall and winter activities are being scheduled. Use of accommodation in previous years does not guarantee the allocation of the same accommodation this year. Requests should be made, in writing, to the Recreation Co-ordinator, Town Hall, St. Albert.

SWIMMING POOL:

The schools will be using the pool during school hours until September 15 but until then two factors will determine the hours of public swimming: staffing and the weather!

From Wednesday, Sept. 6, the pool will open for public swimming from 4 - 8 p.m. on week-days and from 2 - 8 p.m. on Saturdays and Sundays. As usual, this schedule will be subject to adjustment depending on attendance and the date of closing the pool will be announced in this column and posted at the pool.

Swimmers are reminded that while the temperature of the air may seem to be

only slightly above freezing, the water in the pool is pleasantly warm.

About 150 people took in the first anniversary social evening sponsored by the St. Albert Progressive Conservative Association last Wednesday evening and many have reported a thoroughly enjoyable evening.

Special guests Marcel Lambert, Conservative incumbent in Edmonton West federal riding, and MLA Mick Fluker and his wife Ruth of St. Paul, were introduced by St. Albert's MLA, Ernie Jamison.

Since it was purely a fun evening, neither guest was allowed to make a speech, but in reply to his introduction, Mr. Lambert did predict an October election, and another cause for victory celebration by the PC's in the near future.

Local P.C.'s enjoy festive night out

Mick Fluker entertained with his usual versatility, doing take-offs on Diefenbaker, Ernie Manning and the late Jimmie Dean's "Talking to the Lord" record plus some funny stories. Mr. Fluker is a former resident of the Namsa area, and enjoyed visiting with many old friends from that district.

Province, Lions Vote Funds For Kidney Patients

The Government of Alberta will embark upon a home treatment program for those persons throughout the province suffering from kidney failure who now must be treated at a major hospital in Calgary or Edmonton.

In making the announcement, Hon. Neil Crawford, Minister of Health and Social Development said, "As part of the government's desire to provide a better delivery system of health services, the province will begin the program immediately with the introduction of special renal dialysis equipment for home use."

Mr. Crawford explained that through a donation of \$25,000 from the Lions Clubs of Edmonton, which the Alberta Government matched, it was possible to begin the program sooner than expected.

"The importance of the new home treatment program is obvious," he said, "when you consider that approximately 45 new cases of kidney failure occur each year in the Province of Alberta, that can be successfully treated at home."

Mr. Crawford said the program will also be beneficial to rural Alberta residents, eliminating weekly or other prescribed travel problems from rural communities to a large centre for an overnight hospital stay.

Near the busy terminal of a large trucking firm in New Jersey, a huge billboard proclaimed: "This is a trucking company that never sleeps." Crayoned neatly beneath it was: "And neither do its neighbors."

Around Town

Local Breakfast Lions are reminded of the Charter Night at Bruderheim September 9. This is an excellent opportunity for all Breakfast Lion members to show up with their wives and enjoy an evening out in good company. Refreshments will be served at 7 p.m. Another important date on the Breakfast Lions' calendar is the first meeting of the Lady Lions scheduled for September 11 at 6:45 p.m. at the Purple Dede. All wives are urged to attend this dinner meeting.

Chester Cunningham was overheard saying that he has played his last season of ball at a do in the Club Moose on last week. The 'do' was an annual affair by the P.C.'s, and actually Chester makes that "no more baseball" announcement annually about this time too. It's kind of hard to think of the Willowbrook Saints inaction through their veteran third baseman.

The long-awaited Canadian Curling Alliance school for curlers and enthusiasts will be held at the Balmoral Curling Club starting Sept. 15 through Sept. 17. Instructions will be given by such expert curlers of note as Hec Gervais, Ernie Richardson, Don Duguid, Bob Pickering and Brian Wood. Further information may be obtained from Betty Anderson at 599-5124.

Rene Laird is back in town after a three-week holiday with friends in British Columbia. They spent several days at various points in the Okanagan valley before going on to Vancouver, and the latter week she visited in Victoria. The weather was beautiful, said Rene, and the only rain she encountered was hearing it one night. Tuesday morning she was back at her desk in the Recreation Department at Town Hall.

Audrey Wright, Paula Kilfoil and Jean Varner treated their boss Rene Kam-bouroff to lunch last Friday, his last official day at the office, now taken over by new owner Mark Wheeler.

The St. Albert and District Chamber of Commerce will hold their annual "Citizen of the Year" award night on November 25, reports president Gerry Balke who will be appointing a chamber committee for the affair, and an independent panel of judges. The evening will reveal the 5th St. Albert Citizen of the Year. Father Ubaldo Duchesneau was selected last year, preceded by Marcel deChamplain, Lorraine Moore and Dr. Wm. Cuts. Jim Oliphant was in charge of arrangements for the past two years.

plan on joining cadets this year are urged to return their uniforms as soon as possible as they are in very short supply and no new ones can be obtained. Anyone not returning their uniform will be charged for same. The civilian committee for the cadets met on Tuesday, August 29. Plans are underway for a camp-out for early recruits at Camp Wright at Athabasca in the near future. The civilian committee holds its meetings every second Tuesday of the month at the Community Centre and will welcome any parents interested. Cadets offer a variety of interesting activities including regular range practice, gym, model airplane building, boxing and an opportunity to attend a two week camp during the summer holidays. Parents would be well advised to encourage their cadet-age youngsters to attend.

On Thursday, August 31, members of the Bon Accord 4H Light Horse Club gave a gala presentation to Mrs. Dorothy Rigney with a com-

plained birthday and thank you party at her home. The young people presented Dorothy with a cake and a card signed by all the club members.

Diane Mulligan, Lori Pawluk and Michael Uchacz attended Junior Camp for 4H members at Camp He Ho Ha from August 31 to September 5. Debora Uchacz attended the same camp from September 3 to 5 as a Junior Counsellor.

Girls and their mothers are reminded that registration for Guides and Brownies takes place on Monday, Sept. 11 at 7:30 at the Community Centre.

The district extends its most sincere sympathy to the wife and family of Mr. Walter Chubb, who passed away on August 31 at the age of 56.

The United Church Sunday School will resume activities on Sunday, September 10 at 9 a.m. Children of all denominations are welcome to attend.

Sturgeon makes new appointment

Mr. Walter Heppler has been appointed to the position of Coordinator of Instructional Services by Sturgeon School Division. The resignation of Miss Helen Kerr, supervisor of libraries for the division, left a vacancy at the divisional office level and Mr. Heppler has been appointed to fill this vacancy but with some changes in areas of responsibility. In addition to coordinating library services within the division, Mr. Heppler will be responsible for coordinating the instructional program within the system, educational planning and program development. Miss Kerr has taken up a position as library supervisor with the school system in Thompson, Manitoba.

Mr. Heppler has been associated with Sturgeon School Division for the past ten years, having served for a two-month period as acting principal at Gibbons School, teacher for four years and vice-principal for one year at Horse Hill School and as principal of Mission Park School and the new Sturgeon Heights School since 1968. Prior to entering teacher training Mr. Heppler served for two years as assistant secretary treasurer of the division.

Mr. Heppler holds a Bachelor of Education degree

WALTER HEPPLER

from the University of Alberta and has completed the course work for the Master of Education degree in Educational Administration.

Mr. Heppler has always been active in local educational activities having served on the executive of the Sturgeon Local of the Alberta Teachers Association for many years in a number of different executive positions. He has also served on many special local educational committees dealing with such topics as science, French, track meets, festivals and testing.

Mr. Heppler, because of his past experiences, is aware of many of the educational problems that are unique to the area and will undoubtedly do much to improve the educational services throughout the divisional schools.

Shower held for Annette Kramps

By Liz McLeod

A large turnout came to join in wishing Annette Kramps, Francis and Laurette's daughter, well in her forthcoming marriage to George Primeau and join in all the merriment on the evening of August 30, in the church basement at Calahoo. Many won prizes in the bingo that was played by each one in turn calling their own number.

Did you ever try to put on a nylon with oven mitts on your hands, and blindfolded? Well the bride and her attendant had a race and Annette won.

Another good game was making ringers on a peg in a board with rubber rings. Taking numbers out of the door prize bowl chose the contestants and Mrs. Mary Kolesar got two ringers to the others one. Choosing the contestants the same way four gals were lined up each with a candle to light and dash down the hall and back, keeping the candle lit and Denise Paquette won with Helen Radjo a close second.

Funmier yet was an obstacle course laid out for the bride and her attendants

and blindfolded they had to step between these bleach cans and shoe boxes without bumping them. They didn't realize the obstacles were removed and their actions pleased the near 60 who shared the delightful evening.

Seated at the head table that was bedecked with garlands of live flowers, and a bouquet in centre were, Mary Rose, Mrs. Alfred Victor, Louise Belanger, the bride, Barbara Hittinger

Denise Paquette, Laurette Kramps and sweet, loveable grandma, 91 years young Mrs. Mary Kramps.

Many lovely gifts were opened and admired by all, after which Annette donned the hat made from the bows off the gifts and graciously thanked everyone including the sponsors of this shower and all who brought and served lunch. The door prize was won by Darlene Schuster.

Sturgeon

We are of course aware that former B.C. Premier, W. A. C. Bennett was by his own admission "plugged into God," but it now appears that Rose Martel, our Morinville correspondent, has a private line to that branch of heavenly guidance which controls the weather. She predicted a few weeks back that there would be snow the first week in September, and a most revealing development proved her right. Gaston Kremer reported yesterday afternoon that it was indeed snowing in Morinville about 4:30 p.m. The temperature was 33 degrees and the snow was melting

as it hit, said Mr. Kremer. By five o'clock it was snowing in St. Albert as well. It is difficult to imagine worse harvesting conditions, at a time when the farmers are already running some two weeks behind, as Albert Lesburg said Tuesday morning.

MORINVILLE MEMOS

Rose Martel, Morinville correspondent for the Gazette, had an unfortunate fall from a ladder while painting at her home last Wednesday, and is still in the Sturgeon General Hospital. She was badly shaken up, suffering numerous lacerations and bruises. However you can't keep a good girl down very long and Rose assures us that next week's Gazette will have all the news from two weeks.

Rural Recreation

By Carl Royan

SENIOR BASKETBALL:

There has been a great deal of interest expressed in forming a senior basketball league for both men and women. This league could accommodate many teams from the Sturgeon area as they are organized. If you are interested in organizing a team for your area contact me at 424-6276 or 256-3323 for more information. Practices and games can probably be organized for the schools at very little cost.

HOCKEY: The annual meeting of the Alberta Amateur Hockey Association will be held Saturday, Sept. 9 in Edmonton. If anyone is interested in attending this meeting contact me at the office for more information.

RECREATIONAL SKATING: We are very fortunate to have a new resident in Sturgeon who has eight years experience in teaching recreational skating. Mrs. Margaret Sullivan has moved into the Bon Accord area and is willing to teach recreational skating at several areas within Sturgeon. Recreational skating includes 1) learn to skate, 2) power skating, 3) skate for fun 4) figure skating. I will describe what each of these areas involve in next week's Gazette. As this will be the first year of

organizing recreational skating, it is important to start organizational meetings quickly. If you are interested in one or more of these programs in your area contact me at the office.

MR. & MRS. LEO RINGUETTE

Ringuette - Lavoie Wedding

By Jeanne Laplante

Banked with baskets of pink daisies, the altar of Our Lady of Victories Church, Vimy was the background for the lovely summer wedding of Miss Lucille Marie Lavoie and Leo Gaudias Ringuette, Rev. A. Desjardins performed the double ring ceremony for the daughter of Mr. and Mrs. Jacques Lavoie of Edmonton and the son of Mr. and Mrs. Henri Ringuette of Vimy. The radiant bride, given in marriage by her father was lovely in an exquisite satin gown featuring lace trimmings and tear-drop pearls at the neck and waist line. The empire waist was enhanced by a cathedral train. Her three-tiered silk illusion shoulder length veil was held in place by a rhinestone hair. A cascade of red roses and white satin streamers formed her bouquet.

Bridal attendants were Miss Delores Lavoie, sister in law of the bride and Miss Theresa Ringuette, sister of the groom. Both were charming wearing identical gowns of yellow peau de chamois with white lace boleros and long white lace sleeves. They carried bouquets of light blue carnations and roses. Matching tiny blue roses were worn as hair ornaments.

Attending the groom was Raymond Lavoie, brother of the bride and the groom's cousin Normand Ouellette. Altar boys were cousins of the groom, Danny and Ed-

mond Blanchette. Organist was Mrs. Mary Bernard with solos rendered by Mrs. Lillian Blodreau. Ushering the guests were Leonard Lavoie and Raymond Ringuette.

Following the ceremony, a banquet was held at the Vimy Community Hall. The bridal table was centered by a four tiered wedding cake flanked by white tapers and baskets of pink daisies. Master of ceremonies for the occasion was Raymond Ringuette the groom's brother and the toast to the bride was proposed by Raymond Lavoie. A wedding dance followed with some 400 guests in attendance.

To receive her guests the bride's mother chose a

purple crepe and lace ensemble complimented by white accessories and yellow roses en corsage.

The groom's mother chose a turquoise crepe ensemble accented by yellow roses en corsage and white accessories.

The bride's travelling costume consisted of a turquoise hot pants ensemble complimented by white trimmings and a deep red corsage of red roses. The happy newweds will make their home in Vimy.

Out of town guests were from Legal, Picardville, Edmonton, Morinville, St. Albert, Westlock, Barrhead, Beazanson, Rich Valley and British Columbia.

When a prominent member of Indonesia's Toraja people dies on the island of Sulawesi, formerly known as Celebes, his body may remain in his home for months or years, attended by mourners, before it is interred, the National Geographic says.

America's most famous recreational wilderness pathway, the 2,015-mile Appalachian Trail, traces through 14 states, 8 national forests, 2 national parks, and several state preserves, according to the National Geographic Society's recent book, "The Appalachian Trail."

LEGAL LOCALS

By Lucienne Montpetit

Mr. and Mrs. Robert Bisson (Carmen Prefontaine) left on August 20 for Melbourne, Australia. Mr. Bisson will be teaching school there and the couple plan to stay for two years.

Mr. and Mrs. "Chic" Chincouane from San Bernardino California were visiting friends in the district last year.

Mrs. Leo Maurier was happy to see one of her brothers Benoit Clouthier after

10 years. He was visiting with his relatives in Legal last week.

Mr. and Mrs. Gerard Beaudoin from Seattle were pleased to renew old acquaintances in the district.

Mr. and Mrs. Pierre Brisson visited their son Laurier in Prince George, B.C.

Mr. and Mrs. Leonard Deane from Victoria were visiting their relatives in Legal last weekend.

Several couples from Legal enjoyed the P.C. anniversary party at the Club Mocombo last Wednesday.

Congratulations and best wishes to Bertrand Cyr son of Mr. and Mrs. Roger Cyr from Legal, who exchanged marriage vows with Therese Gauthier, daughter of Mr. and Mrs. Victor Gauthier from Falher, at St. Matthews Church on September 2nd. The happy couple will reside in Edmonton.

Money does make a lot of difference. If you have two jobs and you are rich, you have diversified interests. If you have two jobs and you are poor, you're moonlighting.

A candidate in the B.C. provincial elections during a long-winded address said: "What we need is housing reform, school reform, welfare reform and . . . 'Just then a heckler shouted: -- 'How about chloroform?'"

Dina Groppe heads new group in Calahoo

There was a good turnout of older folk on the evening of August 31 when Madeline Brown, Bertha Berube, Hector and Laura Boddez, Valerie Callihoo, Werner and Toni Christen, Carl and Adolina Bergstrelser, Mr. and Mrs. John Dezorec, John and Anna Carty, Frank Gawron, John and Dina Groppe, Mr. and Mrs. Fred Labonte, Mary Kolesar, Helen Radjo, Alex, Myles and Daphne Kerr, Clara Loyer, Fred and Eliza Lischewski, Alice Maheu, Liz McLeod, Gordon and Emma Schmermund and John and Addi Thatcher joined in playing whist, and crokinole. Afterwards all joined in bingo games at a penny a game with the winners sharing the take.

A short business organization meeting followed and Dina becomes president, Myles is vice president, treasurer is Laura and Liz became secretary.

This group, as yet not named, plan to meet every second and fourth Wednesday of the month and also plan other activities in

future. It will be run on the same principle as the Golden Age Club with \$1 the entry fee plus 25¢ for lunch, as is designed to get the neighbors and older folks together for an evening of visiting and fun.

It is hoped more folks will come next meeting.

NAMAO NEWS

By Norma Crozier
Namao United Church Sunday School will resume on Sunday, Sept. 10, Rally Day, Namao UCUW on Wednesday, Sept. 13 at the home of Mrs. Ted Samis at 1:30 p.m.

Friends and neighbors of Bob and Marilyn Robertson gathered for a benefit dance in the Community Hall on Thursday evening. Music for the evening was supplied by Jim Reed and his orchestra. Rev. Dr. E. Miller presented Bob and Marilyn the purse of money collected to help with the loss of their home from a fire the previous week.

Namao 4H Buttons and Bows Club Award winners enjoyed three days at Camp He Ho Ha on Lake Isle. The girls were Maureen LeClair, Betty Gibson and Lori Samis.

Sturgeon Valley 4H Dairy Club held their banquet and awards night in the Namao Community Hall on August 28. Efficiency winner was Henry VanderVliet. All the members received a framed diploma stating their accomplishments for the year and the award given. Mr. Melvin Clark is leader of the club and members are from Gibbons, Bruderheim, St. Albert, Cardiff, Morinville, Namao and Carbondale. Namao Haplette Club catered to the roast beef banquet as they have done for the past several years. There was a good turnout and the evening and delicious meal enjoyed by all.

Burglar: "Please let me go, Miss. I never did anything wrong."

Splinter: "Well, it's not too late to learn."

Calahoo News

By Liz McLeod

After conferring with Mrs. Earl Nolte, Mr. Carl Royan would like to have a meeting at the Gazebo and the date was set for September 14 to plan a winter recreation program. It is hoped that all groups and individuals in Calahoo and their families will attend, since such items as athletic, cultural, arts and crafts, music, sculpturing, general interest, keep fit and group activities will be discussed.

The Calahoo Sports Association are sponsoring a Walt Disney film, "The Aristocrats" in "The Gazebo" on September 9. Come one, come all for this good family movie.

Hector and Laura Boddez in company with George and Alfonsine Soertaert had a happy relaxed holiday at Jasper, Miette Hot Springs and motoring on to Grande Cache for a week's vacation.

The Gordon Schmermunds had a pleasant day visiting with one time neighbors in Green Willow district, when Perly and Birdie Bradbury, their daughters, Joan and Allan Elrich, Roxanne and Jeffrey, and Maria and Richard Woolner came to renew acquaintances.

Foch and Eve Blouin, Anna Dennis and George dropped by the McLeods for a short visit upon returning from their vacation. The Blouins enjoy their cottage at Pine Sands but during one bad storm several boat houses were damaged including theirs. Foch enjoys his visits to the Adelard Paquette also.

Marcel Kerckhof took a weekend off to give Louis and Jackie a holiday in the mountains so they set off to Jasper and Miette. To see the grandeur of the mountains was a first for the boys and many miles were covered on our last sunny weekend.

Mr. and Mrs. John Carty's family, Donna, Murray,

From time to time every one of us needs direction and guidance. You can provide guidance, direction, and rehabilitation for the blind of this community. Support the Canadian National Institute for the Blind by doing volunteer work. Be a volunteer for the CNIB. Phone 488-4871.

Keith and Debbie enjoyed motoring to Jasper and Miette with their sister Doreen and husband Dwane Schneider for three days before school started.

Emelia Schmermund's niece Debbie Delaney and nephew Claude Linsan both spent part of their holidays at their aunt's place. To the G. Schmermund's pleasant surprise a dear friend and one time neighbor Wally, Mrs. Melvin Hanna from Fenn, Alberta accompanied her son Jack and Sandy Rudd and Cory were out for a get together.

Mrs. F. Brown and family had a impromptu visit from son Gary and Marlene and sons being they had been out to the lake and were close to home. Madeline had enjoyed a week's visit from three of her grandchildren, Danny, Dennis and Carole Sabourin while their mother, Sylvia was attending classes in dress and fabric.

Harold and Nancy Christen enjoyed a visit to Harold's sister Elisabeth Verbeek and family at Evansburg and brought Harvey home with them for a few days before school.

Mrs. Sharon Nolte is finding looking after youngsters very interesting. Wanting to help her sister out, Sharon offered to look after her niece and nephew, Shannon and Derek Smith for a week while mother went to Calgary.

John and Johanna Borle and girls, Sandra and Janine brought their parents over to visit with and wish Myles Kerr a happy birthday, only to find the McLeods and Kerr's first went over to welcome their new neighbors, Rudy and Janet

Brinsky and two year old Holly.

We all listened intently while John told us of his interesting work that took him north to Clinton Creek where he saw how asbestos is mined. Their paper called "Rock Fluff" is filled with humor.

Donnie Schmermund has recovered from his mishap when he got a broken foot and is back at work. While off work he had a friend take his place and the young man and his girlfriend succumbed to carbon monoxide poisoning while trying out a car before purchasing it. What a tragic blow to all concerned.

year of advanced work in special subjects.

Shortly after signing on with the Squadron the new cadet is given a uniform, taught to wear it with pride and to keep looking neat and tidy at all times. The question is often raised as to the cost to enrol and to participate in all activities. Contrary to some misconceptions the enrolment and participation in the Air Cadets is absolutely free.

The Air Cadet training program includes a small number of mandatory subjects (drill, service familiarization, citizenship, leadership, first aid, etc.)
